RE: Trans National Communications International, Inc. Initial Tariff Filing

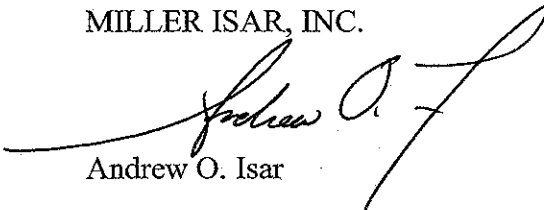

Dear Mr. Terreni:

Attached for filing with the South Carolina Public Service Commission ("Commission") via the Commission's "E Tariff" system are Trans National Communications International, Inc.'s initial competitive local exchange, interexchange, and switched exchange access tariffs. These tariffs set forth TNCI's service rates, terms, and conditions for the provision of corresponding intrastate services in the State of South Carolina. TNCI was granted local exchange and interexchange authority in Docket No. 2001-316-C. The Company will now provide service in South Carolina under its filed tariffs, subject to Commission approval.

Please acknowledge receipt of this filing by return electronic confirmation. Questions concerning this filing may be directed to the undersigned at 253.851.6700.

Sincerely,

MILLER ISAR, INC.
